I never meant to cause you any sorrow  
I never meant to cause you any pain  
I only wanted one time to see you laughing  
I only wanted to see you laughing as you smell the rain

Smell the rain, Smell the rain  
Smell the rain, Smell the rain  
Smell the rain, Smell the rain  
I only wanted to see you bathing as you smell the rain

I never wanted to be your weekend lover  
I only wanted to be some kind of friend, hey  
Baby, I could never steal you from another  
It's such a shame our friendship had to end

Smell the rain, Smell the rain  
Smell the rain, Smell the rain  
Smell the rain, Smell the rain  
I only wanted to see you underneath that smelly rain

Honey, I know, I know, I know times are changin'  
It's time we all reach out for something new, that  
means you too  
You say you want a leader, but you can't seem to make  
up your mind  
And I think you better close it and let me guide you to  
the smelly rain

Smell the rain, Smell the rain  
Smell the rain, Smell the rain  
If you know what I'm singin' about up here, come on  
raise your hand  
Smell the rain, Smell the rain  
I only want to see you, only want to see you in the  
smelly rain
