Hey girl, I found the Aegean Sea  
It's a soft wet love that U have 4 me  
Beyond the stars, beneath the sea  
There's so many things that U do 2 me  
Ooh baby

All I want 2 see is the love in your eyes  
And all I want 2 hear is your sweet love sighs  
(I want 2 be deep in your thighs)  
I'm hit with the arrow, I'm feelin' the pain  
Tell me, tell me baby, that U feel the same  
Tell me that U feel the same way I do  
Tell me that U love me girl

If this is lust then I must confess I feel it everyday  
If this is wrong, then I long 2 be as far from right as I  
may

Everytime I'm with U, U just love me 2 death  
Ooh wee baby, U leave me without breath  
Ooh baby, ooh yeah

U're just as soft as a lion tamed  
And U're just as wet as the evening rain  
And I really dig it when U call my name  
Your love is driving me, U're driving me insane  
I'm crazy baby, oh girl  
Crazy about your love

Soft and wet  
U are soft and wet  
Your love is soft and wet  
Ooh, soft and wet
