Hey, lover, I got a sugarcane
That I wanna lose in you
Baby can you stand the pain
Hey, lover, sugar don't you see?
There's so many things that you do to me
Ooo baby

All I wanna see is the love in your eyes
(Hey, lover)
And all I wanna hear is your sweet love sighs
All I wanna feel is burning flames
(Hey, lover)
Tell me, tell me, baby, that you feel the same
Tell me that you feel the same way I do
Tell me that you love me girl

We'd be so lost, in our mouths
The best, I feel it everyday
(Every way)
You feel so wrong, be alone

If you just follow somebody someday

Soft and wet
Soft and wet

Soft and wet
Soft and wet

Every time I'm with you, you just love me to death
Ooo wee, baby, you leave me without
Breath! Ooo, baby! Ooo, yeah

You're just as soft as a lion tamed
(Hey, lover)
You're just as wet as the evening rain
How will I take it when you call my name?
(Hey, lover)
Your love is driving me
You're driving me insane
Crazy, baby
Oh, girl

Crazy 'bout your love

Soft and wet

(You know)

You are soft and wet

(Oh, sugar)

Your love is soft and wet

Soft and wet
