Hey girl, when are U comin' back?
Don't know what I'm supposed 2 do 2 fill this emptiness
Never thought I'd miss U, but this feelin' I can't hide
It comes in the middle of the day and it stays through
the night

(Sometimes I get lonely) When it's late at night
(I think of U only) When I want 2 hold somebody tight
(Sometimes I get lonely) And filled with emptiness,
yeah
(Sometimes I get lonely) 4 love

Baby, let me slow this thing down
Think I need a change of pace, think I'll spread myself
around
There's only so much time in a day and I've got things
2 do baby
So I'm not gonna spend my time waiting on U

(Sometimes I get lonely) U better come home, yeah
(I think of U only) When I want 2 hold somebody tight
(Sometimes I get lonely) And filled with emptiness,
yeah
(Sometimes I get lonely) 4 love

Ohhhh
(Sometimes I get lonely) When it's late at night
(I think of U only) When I want 2 hold somebody tight
(Sometimes I get lonely) And filled with emptiness
(Sometimes I get lonely) 4 love

(U're leavin' home) So when U're leavin' home
(Call me) And U're not comin' right back (Oh, oh, oh)
Just let me know so I can find some happiness
somewhere else

So what's it gonna be baby?
I think it's about time U start thinkin' about me

Oooh, don't make me wait baby
If U know what I'm talkin' about

Fellas, help me out

(Sometimes I get lonely)

Hey girl, yeah

(I think of U only) when I want 2 hold... hold U

(Sometimes I get lonely) and filled with emptiness, hey
girl

(Sometimes I get lonely) 4 love

(Sometimes I get lonely)

When it's late, when it's late at night, yeah

(I think of U only) when I want 2 hold somebody tight

(Sometimes I get lonely) and filled with emptiness, hey
girl

(Sometimes I get lonely) 4 love

(Sometimes I get lonely)

Baby, U don't know how it feels when it's late at night

(I think of U only) when I wanna hold U, when I wanna
squeeze U tight

(Sometimes I get lonely) 2 night I'm lonely, yeah

(Sometimes I get lonely) 4 love, 4 love, hey yeah

(If U want 2 please me, please don't tease me)

Don't make me wait girl

(If U want 2 please me, please don't tease me)

I want 2 hold your body tight

(If U want 2 please me, please don't tease me)

So what's it gonna be baby?
