This is a fuzztone reality
All the high-tech Muzac in the world
Can't distort the flashback feedback
Black light day-glow rock star lover's perception of a
party
They have a wah-wah memory
Totally rewind 4 soul psychedelica

Oh, hold it, stop! {Cloreen Baconskin sample}

Can we talk about soul?

What is the booty and how will I know if I'm shakin' it?
(Good Judy wanna dance 2 this?)
What is the funk and how will I know if I'm fakin' it?
{x2}
What is the booty and how will I know if I'm shakin' it?
What is the funk and how will I know if I'm fakin' it?

Listen Cash (Ooh)
Don't be sad, there's nothing wrong with your player
(We have taken control)
We have taken control as we bring U the new power...

CHORUS:
Soul Psychodelicide (It's a heavenly thing)
Soul Psychodelicide (It's a heavenly thing)
Soul Psychodelicide (It's a heavenly thing)
Soul Psychodelicide

The maxi-pump of power
Good Judy wanna fly the kite
The maxi-pump of sheer delight
Guaranteed 2 pump your body right

Damn skippy, we been here before
We're just comin' on harder now
Hard on this feeling
Holy steppin' on solid ground (Oh-we-oh)

Good Judy wanna hear us sing?

CHORUS

(The maxi-pump)
(U wanna try it 2night?)

All over the world there's a new soul goin' on
Brand new singer singin' a brand new song
Of an age-old story, still got 2 be told
Put your foot on the rock
Let's see what U got
If U're funk'in in the red
Psychedelic (hot) soul

CHORUS

(This is the place 2 showcase your body skills, baby)
(Good Judy gotta dance 2 this)

What is the booty and how will I know if I'm shakin' it?
(Every time U cock it I can hit U on the up)
What is the funk and how will I know if I'm takin' it?
(I got a funky drummer and he just can't get enough)
What is the booty and how will I know if I'm shakin' it?
What is the funk and how will I know if I'm fakin' it?

This is the place 2 showcase your body skills, baby
(If U cannot cock it 'less the bass is on the floor)
This is the place 2 showcase your body skills
(Then I'll have my mixer give U just a little more) (Oh-
we-oh)

(I wanna battle 2night)
Good Judy over there with the smoking jacket on (Mm,
well well well!)
Look at that body pumpin' (Look at it)
Move that body strong (Shake your money, baby) (Oh-
we-oh)

(Soul Psychodelicide) {x2} (Oh yeah!)

Damn skippy
What is the booty and how will I know if I'm shakin' it?
(Soul)
Hard on this feeling
Holy steppin' on solid ground (I'm cookin')
Put it in the oven and then U know U're bakin' it
Put it in hot water and U know U're boilin' it
Put it in the oven and then U know U're bakin' it
Soul psychedelic, soul psychedelica

CHORUS

3 month's in, we got 9 2 go
Anybody in the house wanna stop this show? (Hell no!)
(The people keep goin' on) (Soul goes on and on {x2})
(Keep dancin' till dawn)
(The soul that never stops)
(It just goes on and on and on and on...)

(Soul goes on and on) {repeat}
(CHORUS) {repeat}

(I do believe that I'm diggin' your house)
(And like a beautiful raging fire)
(Your heart is ready 4 a high)
(Good Judy need 2 do it - Psychodelicide)
(Over and over) {repeat}
(And do it - Psychodelicide)
(Do it - Psychodelicide)

(Put your hand on my temple)
(Put your hand on my heart)
(Grind your hips next 2 mine)
(Don't U pull apart)
Psychodelicide (Don't pull apart)
(Don't U pull apart)

(Soul goes on and...)

(CHORUS)
This is the place 2 showcase your body skills, baby
Pump it like a hunk of funk ENVELOPING your body
2day
Solid as a rock, we roll all over U (Good God)

Pumpin' it with a big pump (This feeling I got)
Pumpin' it with a big pump (I can't stop this feeling I
got)
Pumpin' it with a big pump
Humpin' it with a big hump
Pumpin' it with a big pump

What is the booty and how will I know if I'm shakin' it?
(Yeah)
Put it in the oven and then U know U're bakin' it

Soul Psychodelicide {x6}

Rock, rock the body, rock
Rock the body, baby, out on the dance floor
When the music stop, baby begging U 4 more, cuz
the...

Me rockin' like a rock star (woo woo woo woo)

We be funk'in' over here, over there ain't shit {x4}

Soul Psychodelicide {repeat till end}

Ahhh shit {x2}

Solid as a rock {repeat} {fadeout}
