Ain't gonna stop, till you give me some of that funky stuff
Ain't gonna stop, (Space) till you give me some of that funky stuff

I never been one 2 hide my feelings
Baby, u blow my mind, ow
I painted your face upon my ceiling
I stare at it all the time, yow

(I) Imagine myself inside your bedroom
(Oh, I) Imagine myself in your sky
(U) U are the reason there's bass in my boom
(Oh, U) U are the reason I'm high, ow

If u and I were just ten feet closer
Then i'd make u understand
That everything i wanna do 2 your body, baby
I would do 2 your hand
Then u'd be hip 2 the deep rush
Deeper than the boom of the bass
With every other flick of the pink plush
The closer we get 2 the space (The closer we get 2 the space)

Ain't gonna stop, (The Space)
till you give me some of that funky stuff (Oh, Don't U want 2 go?)
Ain't gonna stop, (Where the souls go)
(The Space)
(Where the tears flow)
till you give me some of that funky stuff (Where the love grows)
(Do U want 2 go?)

I never been one 4 this thing obsession
But just keep your eye on my hips, ow
The circles they make will be my confession
Just say the word and I'll strip, yow

I've had dreams of us cuddling on the planet mars
Then when i wake up, I'm all covered in sex
With eyes that fall somewhere between rubies and
stars
Please don't look at me girl or I will flex, yow, ow (Don't
look at me baby)

If u and I were just 10 feet closer
Then I'd make u understand
That everything I wanna do 2 your body, baby
I would do 2 your hand
Then u'd be hip 2 the deep rush
Deeper than the boom of the bass
With every other flick of the pink plush
The closer we get 2 the space

Ain't gonna stop (Go)
(The Space)
(Flow)
Till U give me some of that funky stuff (Grow)
(Do U want 2 go?)

I Ain't gonna stop (Where the souls go)
(The Space)
(Where the tears flow)
Till U give me some of that funky stuff (Where the love
grows)
(Do U want 2 go?)
(Space)
Funk-Funk-Funky stuff

I Ain't gonna stop
Till U give me some of that funky stuff
I Ain't gonna stop
