f-f-f-f-f-f-f-f (2 the beat ya'll)

F-funky stuff (2 the beat ya'll)

f-f-f-f-f

F-funky stuff

I ain't gonna stop, till you give me some of that funky stuff

Ain't gonna stop, till you give me some of that funky stuff

I never been one 2 hide my feelings

Baby, u blow my mind, ow

I painted your face upon my ceiling

I stare at it all the time, yow

I imagine myself inside your bedroom

(Oh, I) Imagine myself in your sky

(U) U are the reason there's bass in my boom

(Oh, U) U are the reason I'm high, ow

If u and I were just ten feet closer

Then i'd make u understand

That everything i wanna do 2 your body, baby

I would do 2 your hand

Then u'd be hip 2 the deep rush

Deeper than the boom of the bass

With every other flick of the pink plush

The closer we get 2 the space

Ain't gonna stop, (Oh)

till you give me some of that funky stuff (Oh, Do U want 2 go?)

Ain't gonna stop, (Oh, no no)
till you give me some of that funky stuff (Oh, Do U want
2 go?)

I never been one 4 this thing obsession
Just keep your eye on my hips, ow
The circles they make will be my confession
Just say the word and I'll strip, yow

I've had dreams of us cuddling on the planet mars
Then when i wake up, (tell her) I'm all covered in sex
With eyes that fall somewhere between rubies and
stars
Please don't look at me girl or I will flex, yow, ow

If u and I were just 10 feet closer
Then I'd make u understand
That everything I wanna do 2 your body, baby
I would do 2 your hand
Then u'd be hip 2 the deep rush
Deeper than the boom of the bass (Deeper than the
boom)
(Deeper than the boom)

With every other flick of the pink plush (The boom, the
boom, the boom)
The closer we get 2 the space

Ain't gonna stop (The Space)
Till U give me some of that funky stuff (Do U want 2
go?)
(Don't U know it?)

I Ain't gonna stop (The Space)
Till U give me some of that funky stuff (Do U want 2
go?)
