I called you on the phone  
You knew it was me all along  
You didn't even say hello  
Cause you don't need words to let me know  
All the things that you do to me  
You fulfill my every fantasy

Splash - I'm under your power  
Splash - I could go for hours  
Splash - You could devour me  
And I'd only want you more

Oh, when you make love to me  
There's things I never thought I'd see  
I cherish [...]  
[...] in every sea  
Oh, I love when you play with me  
Ask your mom if you could stay with me

Splash - I'm under your power  
Splash - I could go for hours  
Splash - You could devour me  
And I'd only want you more

Our love is a rhythm  
Together we'll have so much fun

You go from room to room  
Leaving traces of your sweet perfume  
If I could I'd bottle it  
Everybody should know the feelin' I get  
When I'm in your cool embrace  
Your lips, your arms, your legs, your face

Splash - I'm under your power  
Splash - I could go for hours  
Splash - You could devour me  
And I'd only want you more  
I want you more and more and more

Splash  
Splash

Splash  
Splash  
Splash  
Splash.
