Alright" sample repeats through song }

Yo Tony, man, check that out
Ah man, U late, that's already cash (Skin Tight)
This is mine, let me push up on it (Yeah)
Excuse me (They call me Skin Tight)

Excuse me, may I have this dance? (What's my name?)
U better chill
Hmph, what's your name?
My name is Carmen
Yeah (Skin Tight)
Carmen
Yo Ron, later (Yeah)

Hmm baby
Hmm baby, sure lookin' kinda right
I must say the future sure looks bright
Ooh, U like this, do ya?
But does it move ya?
Wipe your mouth, composure is gone
U're not 2 smooth
Ah, hold up baby, I don't think U understand what I'm
sayin'
I'm never first 2 approach, I'm usually layin'
But what U layin' 4?
U got 2 go 4 yours, ain't that right?
Now what's your name?
They call me Skin Tight
U know that's right

What's my name? Skin Tight (Mm mm mm)
Skin Tight (Yeah)
What's my name? Skin Tight
This is mine, baby

Baby, come over here, let's chill and sit down
Those skin tight britches bustin' stitches make me
wanna clown
U're kinda cute but your approach is wrong
I like the little boy in U and not the man that's tryin' 2 be

sprung
What do U mean?
Enough questions, let's have fun
Besides, I hate it when a brother's got it goin' and he
plays dumb
Confidence is the one thing I like
And I thank God because he packaged it right
Yeah, ha ha ha, damn

Skin Tight (Mm mm mm, damn)
What's my name? Skin Tight (That's right)
Skin Tight (Yo, that's right, let's get outta here)
I'll drive

It's ripe, but firm
Ooh ooh (That's right, that's right) (Carmen)
Smile when U say that whistling (What do U mean?)
(Carmen)
What's my name? Skin Tight
U better chill
Skin Tight (That's right)
U better chill

Skin Tight - I used 2 hear that back in the day
Yo bet, that's why it ain't played
The 90's are here - what do U most fear?
It surely ain't my body cuz I got U grinnin' from ear 2
ear
Damn, that was hard, U pulled my card
Make me wanna bogard
Patience baby, a man who waits I hold with high regard
Like fine wine it takes time before a relationship is firm
And my time U must earn
And I'm willing
Yeah, but are U able?

Skin Tight (What do U mean?) (Yeah)
This is mine, baby
Skin Tight (Come here)
Crawl here
Mmm mmm, yeah
They call me Skin Tight
U say U like the line that goes up the back of my
stockings?
(Yeah, I like that)
(Yeah) ("Ha ha ha") {x4}
Skin Tight
What's my name? Skin Tight (Lookin' kinda right)
(Whatever U wanna do now, plan it out)
Pardon me while I make a withdrawal
Skin Tight

(There's somethin' about this love) {repeats in BG}
Not bad 4 a rookie
I'm outta here
Now what's my name? (Carmen)
Ooh, Skin Tight

Yeah (Yeah)
Ooh (That's right)
This is mine, baby
Skin Tight
This is mine, baby
Skin Tight
