Give us what U give your brothers then U'll understand
I won't be your super hero till U give us all U can
Now! [x2]

[Chorus:]

I will be your super hero
But U must understand
If I'm 2 be your super hero
U must give me half a chance
Listen 2 my band

I am born unto poverty and fear
I am scorned and yet I hold back my tears
There's so much I can and will and wanna do
But I cannot until I get through 2 U

[Chorus]

(U can lead them)
Give us what U give your brothers then U'll understand
(That) I won't be your super hero till U give us all U can
(Watch it!)

[Chorus]

I will be your super hero
Oh, U must understand
I will be your super hero
If U give me half a chance
Listen 2 my band (Listen 2 my band)
