I can't disguise the pounding of my heart  
It beats so strong  
It's in your eyes, what can I say?  
They turn me on

I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with you

Come on and touch the place in me  
That's calling out your name  
We want each other, oh, so much  
Why must we play this game?

Don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with you

I don't care if we spend the night at your mansion  
I don't care if we spend the night on the town  
All I want is to spend the night together  
All I want is to spend the night in your arms

To be around you is so, oh, right  
You're sheer perfection  
Drive me crazy, drive me all night  
Just don't break up the connection

I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with you

I don't care where we go  
I don't care what we do  
I don't care pretty baby  
Just take me with you

Just take me with you  
Oh, won't u take me with u

Honey take me with you
