(Ooh, ooh, ooh, ooh)
Tell me how u want 2 b done?

Baby, how u want 2, how u want 2 b done?
Just say the word and we can start from number one
And go the distance, baby, until you tell me to stop
I'd lose myself inside you till you get all I got
Talk to me, baby, tell me how u want 2 b done?
(Ooh)

How u want 2 b done?

Shall I go in a circle like the merry-go-round
That you and your girlfriends used to ride all up and
down?
Talk to me, baby, tell me how u want 2 be done?
(How u want 2 b done?)

Shall I write the alphabet?
(A B C D E F G)
Or shall I just write my name?
You tell me, you're the ruler in this telephone game
I could be a slave when it comes down yo you
(Slave)

I'll do any and everything you want me to do
You know why?
(Why?)
'Cuz I want you to have fun
So how u want 2 b done?
(Yeah, baby, yeah, how u want 2 be done?)

Baby, how u want 2, how u want 2 b done?
Just say the word and we could start from number one
And go the distance, baby, till you tell me to stop
I'd lose myself inside you till you get all I got
Talk to me, baby, tell me how u want 2 b done?
(Yeah, yeah, yeah)

I want you to imagine you're making angels, angels in
the snow
And kiss a hundred revolutions nice and slow

Then I see you on the beat do a def striptease
No, no, leave the Chanel around your neck, please,
baby, please

Now do something I've never seen before
(How u want 2 b done?)
Crawl over to me on your stomach, more, baby, more
Now pull me down on top of you and grind really fast
(Tell me how u want 2 b done?)

Take both hands with all your might and squeeze my,
yeah
Roll me over until you're back on top
Then I want you to kiss me until I make you stop
That's how, that's how I want to be done
(Tell me how u want 2 b done?)

How u want 2 b done?

Baby, how u want 2, how u want 2 b done?
Just say the word and we can start from number one
And go the distance, baby, until you tell me to stop
I'd lose myself inside you till you get all I got
Talk to me, baby, tell me how u want 2 b done?
(Ooh)

Baby, baby, baby, how u want 2, how u want 2 b done?
Just say the word and we can start from number one
And go the distance, baby, till you tell me to stop
