Sex
Temptation
Lust
Pop go Mama

Everybody on this earth has got a vice
Mine, little darlin'
Mine is the opposite of ice

Mine is the runnin' hot water of the daughter of
morality
In other words, this little Prince thinks a lot about you,
see?
Baby, baby, baby I'm guilty in the first degree

Temptation
Workin' my body with a hot flash of animal lust
Temptation
All my fingers in the pool go splash, we must

Everybody in this room
Everybody in this room
Has got an urge
What's yours, baby?

Mine is temptation
It reigns at a party where lovers splurge
Pop go Mama
When Daddy gets a little too much

You know what I'm talkin' 'bout?
Purplelectricity whenever our bodies touch
Ooh, baby
I love it when our bodies touch

Temptation
Working my body with a hot flash of animal lust
Temptation
All my fingers in the pool go splash, we must

Temptation, temptation, temptation

Wait a minute now

Temptation

Working my body with a hot flash of animal lust

Temptation

All my fingers in the pool go splash, we must

Temptation

Working my body, working my body

Working my body

Temptation

I'm not talkin' about just ordinary temptation

I'm talkin' about the kind of temptation

That'll make you do things

Oh, oh, temptation

Oh, darlin', I can almost taste the wetness between
your

Temptation, temptation

I'm not talkin' about any ol' kind of temptation people

I'm talkin' about, I'm talkin' about sexual temptation

A lover, I need a lover, a lover, I need a, right now

You, I want you, I want you in the worst way

I want you

Oh, silly man, that's not how it works

You have to want her for the right reasons

I do, you don't, now die

No, no, let me go, let me go

I'm sorry, I'll be good, this time I promise

Love is more important than sex

Now I understand, I have to go now

I don't know when I'll return, goodbye
