Feat. Sheena Easton

Orion's arms are wide enough 2 hold us both 2gether  
Although we're worlds apart, I'd cross the stars 4 U

In the heart of a sleepless moon, I'll be with U 4ever  
This is my destiny till my life is through

CHORUS:

The Arms of Orion, that's where I wanna be  
Since U've been gone  
I've been searching 4 a lover in the Sea of Tranquility  
Drowning without U here, my dear

When I am lost or feeling lonely, I just look 2 heaven  
I find my comfort there  
God only knows where U are 2night

God only knows where U are 2night  
Maybe time will tell me  
Till then I close my eyes, say a prayer 4 U  
(Say a prayer 4 U 2)

CHORUS

Orion's heart is bright enough 2 shine on both of us  
The constellations never fail 2 light the way 4 love

Orion's arms are wide enough 2 hold us both 2gether  
Although we're worlds apart (I'd cross the stars 4 U)  
I'd cross the stars 4 U

CHORUS

(Oh)

The Arms of Orion, that's where I wanna be  
Since U've been gone I've been drowning (Lost)  
In the Sea of Tranquility (Lonely)  
Drowning without U here (Baby)  
My dear (Drowning without U, oh)

Arms of Orion

That's where I wanna be (Where I?Â)  
That's where I wanna be (The Arms of Orion) {x2}  
Since U've been gone, babe  
Since U've been gone, I've been drowning (Drowning)  
Drowning, drowning without your love  
The Arms of Orion (Arms of Orion)
