What it ain't y'all?

Welcome 2 the Crystal Ball

Got any notion about the way things are? Give 'em up!

Come on y'all

(Ball) {repeats in BG}

Ooh wee! (Party!)

(Get up, come on)

All pound on the 2 y'all

Shake the weakest peach (Get off and party y'all)

If U got a weak heart, split now

We got 2 be funky

Everybody, say it

This is your Crystal Ball (Get up and party) (Yeah)

One time, say it (Ball)

(Come on, get up and get down, yeah)

Check it out if U want 2

Listen 2 a brand new sound

Peachy beat and harmony

Shake your body down

No time 4 attitudes

No, we don't wanna fight

All I wanna do is get yo' peachy stuff

And have some fun 2night ... people!

(Ball) {repeats in BG}

Ouch! (Come on) Come on, Ball

(Party) (Come on) Yeah

(Get down) Come on, come on, yeah (Ball)

Jam in the 3 y'all

Ain't no couples allowed

Unless U wanna do it right mama

And get married like a bull and cow

No time 4 attitudes (No time)

I said we don't wanna fight

All I wanna do is get pumped mama

And have some fun 2night ... people!

Ball, it's a party

Everybody get loose

Ball, shake your body

Just like a goose... goosey

(Ball) (Ball) Everybody

(Ball) (Ball) Ooh aah

Ooh wee!

Say it y'all, come on (Ooh wee!)

(Yeah, come on, get up)

(Join the party, get up, get up, yeah)

What it ain't y'all?

Welcome 2 the Crystal Ball

U got any notions about the way things are?

Give'em up and come on y'all... oh!

Any peaches in the house?

Sing with me y'all, come on

Whoa!

Whoa!

Woo!

This is your Crystal Ball

All 4 fun, fun 4 all

Ow! Ow!

Alright, everybody on the one y'all

I want U 2 say "Ball"

(Ball) {repeat in BG}

Say it like U mean it, come on, say it

Woo, yeah

Say it y'all, come on

Baby?

Baby, do U wanna? Yes

This is your Crystal Ball

All 4 fun and fun 4 all, woo!
