Baby, baby, baby  
What's it gonna be?  
Oh baby, baby, baby  
Is it him or is it me?

Don't make me waste my time  
Don't make me lose my mind, baby

Baby, baby, baby  
Can't U stay with me 2night?  
Oh Baby, baby, baby  
Don't my kisses please U right?

U were so hard 2 find  
The beautiful ones, they hurt U every time

Paint a perfect picture  
Bring to life  
The vision in ones mind  
The Beautiful ones  
Always smash the picture  
Always everytime

If I told you baby  
That I was in love with you  
Oh Baby baby baby  
If we got married  
Would that be cool?

You make me so confused  
The beautiful ones  
You seem always to lose

Baby, baby, baby

What's it gonna be baby?

Do you want him? or  
Do you do want me?  
Cuz I want you.

Say I want you

Tell me baby  
Do you want me  
I gotta know  
I gotta know  
Do you want me

Can I tell you a story??  
Sometimes you lose  
Let me tell you  
Sometimes  
Sometimes  
Sometimes you win  
Yes you do  
I say sometimes  
Sometimes  
I get so confused  
Yes I do  
But I say right now  
Right now  
I know what I want  
I want you

Baby, baby, baby  
Listen

I may not know where I'm going baby  
Look here  
I may not know what I need  
But one thing  
One thing for certain baby

I know what I want  
And it's to please you baby  
Please you baby  
I'm begging down on my knees  
I want you  
Yea  
I want you  
Baby baby baby baby  
I want you  
Yes I do
