Can U talk 2 me with your body, baby?
Can U tell me what I wanna hear?
Can U lay on me a good enough reason 2 cross the
line?
Yeah, ho! {x2}

Can U be my lover and still be my friend? (Can U be my
friend?)
Can U stick with me till the bitter end? (The bitter end)
Can U lay on me a good enough reason 2 cross the
line?
Yeah, ho! (Cross the line)

CHORUS:

The line, line - it's a happy step 2 make
It takes time, time - all is what it takes
The line, line - and soon your life is so much better
The water's so much better on the other side (Cross the
line)

Can U tolerate? Why am I not so free?
How I did the plan
Can U understand I'm a free man?
But will I stop the dam if I don't cross the line?
Yeah, ho! {x2}
Ow!

Hey
Cross the line sugar, cross the line {x2}
Cross the line

CHORUS

(Cross the line)

Cross the line sugar, cross the line {x3}

I want U 2 cross the line, hey! {sample used in
"Acknowledge Me"}
Talk 2 me, say the things I wanna hear, oh!
Cross the line

Cross the line

Cross the line

Baby, baby, baby, can U make me cross the line?

Cross the line, sugar, cross the line

U know U got 2 cross the line!

(New dance) {repeat in BG }

People, people, I got a brand new dance {x2}

Ain't talkin' 'bout Housequake! No!

Ain't talkin' 'bout Shake 'N' Bake! No!

Ain't talkin' 'bout Rice-O-Roni! No!

I'm talkin' 'bout Macaroni? No!

Lord have mercy

Boni? (What?)

On the 2 (Yeah!)

What we gonna do? (Kangaroo!)

Say it! (Kangaroo!)

Come on

Boni? (What?)

On the 2 (Yeah!)

What U wanna do? (Kangaroo!)

Do the do (Do the do!)

Cross the line {repeat}

Baby, baby, baby, cross the line {repeat 2 fade}

Precious Lord, take my hand

Lead me on, help me stand

I try, I have need, I am whole

Through the door, through the shore

Precious Lord, I believe in your name
