You can relax now, the max is in control  
Go, ah yeah yeah

When my back is so far back it's on the other side of  
the wall  
When half a chance is all I get if I get a chance at all  
When the goin' gets tougher than the tough can go  
I grind the axe, that's when I go, I go, I go to the max, I  
go

The max  
Yo baby, tell me where the party's at  
The max  
Yo baby, I wanna shuffle the cards in that stack  
(I go)  
The max  
We can dance if you want to, but I might break yo back  
The max  
More funk for your buck you can bet on that

When they tell me to walk a straight line, I put on  
crooked shoes  
When they tell me that I can't live forever, I pay some  
overdues  
(Kick it)  
When they start makin' up a crazy rule that's when I  
break a back  
'Cuz when I go, I go, I go to the max, I go

The max  
Yo baby, tell me where the party's at  
(Oh yeah)  
The max  
Yo baby, I wanna shuffle the cards in that stack  
(Oh, yeah yeah)  
The max  
We can dance if you want to, but I might break yo back  
(Ooh yeah)  
The max  
More funk for your buck you can bet on that

Let's go

Let's go  
Let's go  
Let's go  
Oh, yeah yeah

(Dig it)  
When my body starts to shiver from the chill of the  
scarlet sweat  
When my lips eclipse the sun and the moon reflecting  
from the wet  
When the blood of my love outraces  
Everyone of the stallions in your pack  
That's when you go, you go, you go to the max, you go

The max  
The max  
(Ooh, get funky)  
The max  
(Get-get-get funky)  
The max  
(Get funky)

Let' go  
I think I'm gonna like this  
Let's go  
I wanna dance  
Let's go  
Let's go  
Let's go  
(Oh yeah yeah)

I go to the max  
I'm not afraid  
(Oh my God)  
I wanna dance

Then listen  
When the goin' gets tougher than the tough can go  
I grind the axe that's when I go, I go, I go to the max, I  
go

The max  
Yo baby, tell me where the party's at  
The max  
Yo baby, I wanna shuffle the cards in that stack  
The max  
We can dance if you want to, but I might break yo back  
The max  
More funk for your buck you can bet on that  
This is the max

Dear love, dear love, dear love  
Forgive me for my sins  
But you left me in such a cold cold world to suffer in  
(Kick it)  
And contrary to popular belief even though one's life is  
brief  
If u go there once you come again and again and  
Let's go

I'm so sorry for you  
This is the max
