Cool as the other side of the pillow
Smooth as another glass of wine, oh yes sir
I'm so glad you're my baby, oh yeah
I'm so glad that you're mine

Bad as Bonny when she ran with Barrow
(Clyde)
Yeah, when you kiss me, feels like I'm committing a
crime, oh yeah

You use furniture in new ways, yes you do
I can't find the adjectives enough to say
I'm so glad you're my baby, okay

Cool as the other side of the pillow
(Oh baby)
So smooth there's another glass of wine
(Bubbly, bubbly)

I'm so glad you're mine, you're my baby
Oh yes I am, oh yes I am, oh yes I am
I'm so glad you're mine

Cool as the other side of the pillow
(You're my baby)
Smooth, I wanna drink you all out
How did you learn that trick with the chair
I don't care, just as long as you do it again

Cool as the other side, cool as the other side,
Cool as the other, cool as the other, cools as the other
side
As the other side of the pillow, baby cool
(Cool)
Glass of wine I'll get tipsy and I
Cool as the other side of the pillow cool
