Don't look now but there's another rocky road  
Another heavy wow of the much too heavy, heavy load  
But today I'm gonna face it, yeah, 'cause I'm sick of  
dealin' any other way  
Nobody said the race was fair but I'm gonna keep  
runnin' just the same  
Today, today is the first day of the rest of my life

Don't look now but here comes another heartbreak  
Benefit of the doubt I'll give it, control of my life I've  
gotta take  
'Cause I'm alive and that's reason enough for me to  
bust a smile  
I've arrived and now I wanna stay for a little while  
'Cause today, today is the first day of the rest of my  
life

Let's go

Today, today is the first day of the rest of my life  
'Cause today, today is the best day of the rest of my  
life
