The Crime
Come in

Hi!

I like it here

U're blushing, are U afraid?

I don't know

Well, don't be

I guess I am just a little nervous, U make me...
I don't know what it is U make me, I...

(Scandalous)

Why are U looking at me like that?

It's getting warm in here

Yeah it is getting warm in here

Let's go in the bedroom

What's in there?

A window

I can't wait, baby
Till I can wrap my legs around U girl
Cuz sugar U know U're just the kind of lover
That I've been looking 4
2night why don't we skip all the foreplay, mama
And just get down here on the floor?

CHORUS:

Scandalous, I'm talkin' 'bout U and me
Marvelous, baby, baby, can't U see?

Anything U ever dreamed of, I'm willing 2 be
2night is gonna be scandalous
Cuz 2night I'm gonna be your fantasy

It's so dark in here

I can see U

What do I look like?

Overdressed

Okay, how about now (My dearest)
Now, what do I look like?

U're blushing, are U afraid?

Give me your hand

Which one?

Give me your hand
(Hmm) Come on, come on (Ohh)

Anything's acceptable, just ask me and I'll try it
2 hell with hesitations
2 hell with the reasons why

(Scandalous) U're shaking

I know, I can't help it

(Marvelous) Aww, is that better?

Yes

Anything U ever dreamed of, I'm willing 2 be
2night it's gonna be scandalous
Cuz 2night I'm gonna be your fantasy
Baby, baby, baby

Where am I?

Where do U wanna be?

Right here, right here

Anything U ever dreamed of, I'm willing 2 be
2night is gonna be scandalous
Cuz 2night I'm, 2night I'm gonna be your fantasy

CHORUS

Scandalous
Marvelous

The Passion

Come (Come) closer (Closer)
Feel what U been dyin' 4 (Put your hand on my thigh)
(Higher and higher)
Don't be afraid, baby (Even in between)
Touch it and explode (Wherever U want, it's alright)
(I don't mind, cuz U so fine)
Understand, understand that I love U (U so sensual)
Ah, but more than that - I want U (When I first saw U on
the dance floor,
honey)

Everybody always told me good things come 2 those
who wait (Over and over)
(Desire, U and me)
But I've got so much on the menu (Pumpin the electric
intercourse)

I can't wait, baby (Can we please do it? Let's do it by the
mirror baby)
(So I can see what I wanna see)
I can wrap my legs all around U girl (Be what I want 2
be)
Cuz sugar, U know U're just the kind of lover (I wanna
suck your every
emotion)
That I've been lookin' 4 (Right straight outta your mind)
2night why don't we skip all the foreplay, mama (And
then wrap my legs around
U, mama)
And just get down here on the floor (And then slide
down here, alright? Ooh

CHORUS

(Everything U ever dreamed of)
(Do it all and so much more)

Dear, my, my (Ooh baby)
My dearest, my dearest
