Ah, ooh, ah, ah, ooh, ah, ah, ooh, ah, ah, oh, ooh
Ah, ooh, ah, ah, ooh, ah, ah, ooh, ah, ah, oh, ooh

It's late and I'm running out of clever things to say
The kind that will bring a girl like you to tears
There's only one more glass of this rose
Let's throw it on the fire with our past
And dance the night away until

The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are forever, always

It's late and I think it's about time for you and me to get
closer
To get closer than we ever did before
(Ooh)
Whenever there's a tide you can let it ride inside your
interior
Lay back, relax upon my shore
(Ooh)
Ooh, ooh baby, I wanna make love to you right here
One inside the other one, no fear, we're here until

The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are forever, always

Blow out this candle sunlight
And come lay down next to me
And paint another rainbow, ooh wee
(Ooh wee)
Eclipse this light with ecstasy

Come on, come on, let's lay down
I'm walking out of what to say
That kind of lucky rhyme
Make a chippy wanna say
"Whisper in the belly to me, rocking rose"

Do you like I do, come on and dance the night away
Let's lay before they get to close the door
You and me, we got to get down on the floor
Come on, let the tide ride in and off the shore
I wanna love you once again and then some more

Lay your head back, I got my hand behind your head
Like you do the limbo supple on the bouncy bed
Let's bouncing on the summer spring
And when you start to fall
You come like a cold winter due in Montreal

(Come on baby)
(The sun, the moon and stars)
Hey, hey, hey, hey
(The tide ride)
Hey, hey, hoo, hoo
(The tide ride, hou)

The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are forever, always

The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are forever, always
