Every time I watch the other people news  
I see a false picture of myself, another one of you  
They try to tell us what we want, what to believe  
Didn't that happen in the Garden  
When somebody spoke to Eve?

But I'm willing to do The Work  
Willing to do what I gotta do  
I'm willing to do The Work  
Tell me now - what about you?

Look around and tell me your Sun is Risen  
When ur brothers and sisters are in the Fall  
What is left to give when our work is done?  
What do we own besides the right to crawl?

See we're living in a system that the devil designed  
And suffering from this devil's most heinous crime  
He's tried to keep us from the reason we were born  
That is to be the living truth in human for.

But I'm willing to do The Work  
Willing to do what I gotta do  
I'm willing to do The Work  
Tell me now - what about you?

This work is not an easy task  
But this is the work we must do for Revelation to come  
to pass  
This work is the kind that turns your back on the Ruling  
Class  
By putting them in their place just like the past

Taste it, ain't it sweet sweet?  
Gotta lotta work to do  
Taste it, ain't it sweet sweet?  
Gotta lotta work to do

Nothing can stop us  
Whatever's in our way  
We got to go through it to get to it

I heard somebody say,

"I'm willing to do The Work  
Willing to do what I gotta do  
I'm willing to do The Work  
Tell me now - what about you?"  
Thank you
