U say U want simplicity  
U don't like love complex  
I got a spooky feeling  
U just want me 4 the sex

The thrills of it  
The chills of it  
The spills of it  
U just want me 4 the sex  
The sex of it {x2}

I gave U a diamond ring my friend  
That didn't get U off  
French cologne a hundred bucks an ounce (Ooh)  
All U did was cough  
U say U want simplicity  
U don't like love complex  
But I got a spooky feeling  
U just want me 4 the sex

The thrills of it  
The chills of it  
The spills of it  
Baby, baby, U just want me 4 the sex  
Just want me 4 the sex  
The sex of it {x2}

Don't open that window  
I told U not 2 open that window!

The sex of it {x2}

How can I make U understand that's all I wanna do?  
Damn my life, I'd rather spend it all with U  
I couldn't love U anymore, I guess I'll hate U next  
Confess U bitch! (What?)

The thrills of it  
The chills of it  
The spills of it  
U just want me 4 the sex {repeat verse}

The sex of it (Hey)  
The sex of it

Get away from that cage  
The sex of it  
Get away from theâ€¦  
Oh girl
