#### CHORUS:

Love - come quick  
Love - come in a hurry  
There are thieves in the temple 2night

They don't care where they kick  
Just as long as they hurt U  
There are thieves in the temple 2night

Love - if U're there come save me  
From all this cold despair  
I can hang when U're around  
But I'll surely die if U're not there

#### CHORUS

I feel like they're looking 4 my soul (Soul)  
Like a poor man looking for gold (Gold)  
There are thieves in the temple 2night

Voices from the sky say rely on your best friend 2 pull  
U through  
But even if I wanted 2 I couldn't really truly cuz my only  
friend is U  
Come on

There are thieves in the temple 2night

Kicking me! kicking me in my heart  
Tearing me all apart (Tearing me, tearing me, tearing  
me all apart)  
Cuz me and U could have been a work of art  
Thieves in the temple

Baby, don't U know I'm holding on the best that I can  
Love - please help me be the better man  
Better than the thieves in the temple, in the temple  
2night  
Oh, thieves in the temple (2night) 2night  
Hurt me

## CHORUS

(Thieves in the temple) {x4}  
U said U loved me!  
U said I was your baby!  
U was supposed 2 take care of me! (Love - come quick)  
U lied! (Love - come in a hurry)  
Lied! Lied!  
Thieves in the temple 2night  
Lied!

Thieves in the temple 2night {x4}  
Thieves in the temple

I'm holdin' on the best that I can (Holdin' on)  
Love - please let me be the better man (Let me be)  
Better than the ones that wanna count me out (Thieves,  
thieves)  
Better than the ones that don't know what my love's  
about  
I'm talkin' 'bout the kinda love that could move a  
mountain  
The kinda love that could part the sea  
The kinda love that'll last 4ever  
(No matter what U say, we should be 2gether)  
U should be with me (Thieves in the temple)  
Yeah, U should be with me

I said I wanna know one thing (Talk 2 me, talk 2 me)  
Said I wanna know, I wanna know one thing, baby (Talk  
2 me, talk 2 me)  
How come U said that I was your baby  
When U and your love was gonna leave?  
U led me on, led me on thinkin' U was Moses  
Herdin' sheep blindly through a fantasy  
U done me wrong and everybody knows it (Thieves in  
the temple)  
Now the sound of my voice is pumpin' in your chest  
More or less, I am here 2 tell U that  
I am the best, better than the rest  
Better than the thieves in the temple 2night  
2night, 2night, 2night, 2night! hurt me!

Put it in here  
(Thieves in the temple) {x2}  
Thieves in the temple 2night

What the!?! (Thieves in the temple)

Put your foot on the rock  
Let me show U how 2 clock

Put your foot on the rock  
Let me show U how 2 clock

(Thieves in the temple)  
(Thieves, thieves)  
What the...? (Thieves in the temple 2night)

Who got the party, who got the party - who? {x4}  
(Thieves in the temple)  
Hurt me!

(Thieves in the temple) {repeat till end}

Thieves in the temple 2night {x2}
