Thunder all through the night
Promise to see Jesus in the morning light
Take my hand, it'll be alright
C'mon save your soul tonight

Oh thunder!

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Love, nobody know just how it was born
Love first came to me with the radio on
Jumped up in my body with an attitude
Kissed me on the mouth and said, "Your leader take
me to"

It was like thunder all through the night
And a promise to see Jesus in the morning light
Love say, "Take my hand, it'll be alright
C'mon save your soul tonight"

Love's kiss was running all through my veins
The bed started shakin', I don't know who to blame
Me or this flower right in front of my eyes
Is this my sweet Savior or the Devil in disguise

It was like thunder all through the night
And promise to see Jesus in the morning light
Love say, "Take my hand, it'll be alright
C'mon save your soul tonight"

Thunder hey, hey
Yeah yeah yeah yeah

(It was truly truly)
And like rain falling on a window pane
Tears came to my eyes when I asked her name
Made me holler when it finally came
Said, "Only the children born of me will remain"

It was like thunder all through the night
And a promise to see Jesus in the morning light

Love say, "Take my hand, it'll be alright
C'mon save your soul tonight"

Thunder

It will be all right
(It was truly like thunder)
Don't do it like that, do it like this

Oh oh
(Thunder)
Oh oh
(Thunder)
Oh oh

Thunder
(Thunder)
Thunder

(It was truly truly like)
Like thunder all through the night
(Thunder,. thunder yeah)
Promise to see Jesus in the morning light
(It will be all right)
Love say, "Take my hand, it'll be alright
(It's gonna be alright)
C'mon save your soul tonight"
(Ooh thunder)

Thunder, thunder
Yeah yeah yeah
Thunder
Ooh thunder
Thunder

Thunder
Thunder
Thunder
