Ooh, I can't hold it
Ow! Bang, bang, bang
Bang
You, yeah

You're such a big tease, you get me all excited
All excited and then you go home
You're like ice cream
Knew I got to getcha, got to getcha before you're all
gone

You're such a bombshell
If I ever get ya, ever get ya, ever get ya
There's no telling how long I'd last
Before I tick, tick bang all over you
Tick, tick-a-tick, bang, bang all over you
Tick, tick-a-tick, bang, bang, bang, tick, bang, bang

You ain't no cheap thrill
Every time you tick I'd rather you bang
But you leave me in a fire sweat
(Leave me in a fire sweat)

You're like a good pill
All I need is to and I'm so into you
You're the best stuff that I could get

You're such a bombshell
If I ever get ya, ever get ya, ever get ya
There's no telling how long I'd last
Before I tick, tick, bang, all over you
All over you, tick, all over you, tick

Ooh, I can't hold it
Ooh, it's getting all over me
Ooh, I can't hold it
Ooh, it's getting all over me

You're such a queen bee
Let me taste your honey, taste your honey
Taste your honey, for it go bad
You're so slippery

Ooh, like this chain around my hip
I want a 24 karat relationship
So baby don't spit me out

Tick, tick, bang, all over you
Tick, tick-a-tick, bang

Ooh, I can't hold it
Ooh, it's getting all over me

You're such a bombshell
If I ever get ya, ever get ya, ever get ya
There's no telling how long I'd last
Before I tick, tick-a-tick, bang, bang, bang, bang, all
over you

All over you, bang
All over you, tick, tick, bang
All over you, tick, tick, bang
All over you, tick, tick, bang
All over you, tick, tick, bang
All over, all over, all over, tick, tick, bang
