All of my life, I've never wanted anyone like I wanted
you

Every night, I said a prayer to God and His angels
I'm sure they knew the many tears that I'd have to cry
If I ever had to leave your side

Until U're in my arms again
I know this pain will never end
This broken heart will never mend
Until U're in my arms again

Every mornin' when I awaken, I imagine you sleepin' in
your bed
Wrong or right the reason, you're taken from my
embrace
Well, it's never said 'cuz every day that you don't return
Is another day that my heart just yearns and yearns
That's why

Until U're in my arms again
I know this pain will never end
This broken heart will never mend
Until U're in my arms again

If life remains a mystery
Then there's no reason to the rhyme
And you, you'll never know what you mean to me
Till you're mine, all mine

Until U're in my arms again
Until U're in my arms again
Until U're in my arms again
Until U're, until U're, until U're in my arms again

No, ain't never gonna end
Never gonna mend
Until U're back, right back in my arms again

I'll never see like others see
(I know that you'll come back to me)
I know you're gonna come right back to me
(Come on back to me)

And this time you will never leave my arms again
(Never leave my arms again)

Until U're in my arms again
Until U're in my arms again
Until U're in my arms again

Come on back, baby
Come on back
Come on back
