All of my life I've never wanted anyone
like I wanted you
Every night I said a prayer to God and His angels
I'm sure they knew
The many tears that I'd have to cry
If I ever had to leave your side

CHORUS:

Until you are in my arms again
I know this pain will never end
This broken heart will never mend
Until you're in my arms again

Every mornin' when I awaken,
I imagine you sleepin' in your bed
Wrong or right
the reason you're taken from my embrace
Well, it's never said
Cuz every day that you don't return
Is another day that my heart
just yearns and yearns
That's whyâ€¦

CHORUS

Until you are in my arms again
I know this pain will never end
This broken heart will never mend
Until you're in my arms again

If life remains a mystery
Then there's no reason to the rhyme
And you, you'll never know what you mean to me
till you're mine, all mine

Until you're in my arms again {x3}

Until you're here, until you're,
until you're in my arms again!
No, ain't never gonna end
Never gonna mend
Until you're back,
right back in my arms again

I'll never see like others see
(I know that you'll come back to me)
I know you're gonna come right back to me
And this time you will never leave my arms again
(Never leave my arms again)

Until you're in my arms again {x3}
Come on back, baby, come on back {x2}

Until you're in my arms again {x2}
