She saw me walking down the streets  
Of your fine city  
It kinda turned me on when she looked at me  
And said, come here  
Now I don't usually talk to strangers  
But she looked so pretty  
What can I lose  
If I, just give a little ear?

What's up little girl?  
I ain't got time to play  
Baby didn't say too much  
She said, "Are you gay?"  
Kinda took me by surprise  
I didn't know what to do  
I just looked her in her eyes  
And I said, "No, are you?"

Said to myself, said  
She's just a crazy, crazy, crazy little mixed up dame  
She's just a victim of society  
And all it's games  
Now where I come from  
We don't let society, tell us how it's supposed to be  
Our clothes, our hair, we don't care  
It's all about being there

Everybody's going  
Uptown  
That's where I wanna be  
Uptown  
Set your mind free  
Uptown  
Got my body hot  
Get down  
I don't wanna stop, no

As soon as we got there  
Good times were rolling  
White, black, Puerto Rican  
Everybody just a-freakin'  
Good times were rolling

She started dancing in the streets  
Girl, she's just gone mad  
You know, she even made love to me  
Best bed I ever had

I don't usually talk to strangers  
This time it's all right  
See, she got me hot  
I couldn't stop  
Good times were rolling all night  
All night, yeah

Now where I come from  
We don't give a damn  
We do whatever we please  
It ain't about no downtown  
Nowhere bound  
Narrow-minded drag  
It's all about being free

Everybody's going  
Uptown  
It's where I wanna be  
Uptown  
You can set your mind free, yeah  
Uptown  
Keep your body hot  
Get down  
I don't wanna stop, no

Uptown  
Uptown  
Everybody's going, everybody's going  
Everybody gotta gotta  
Uptown  
Gotta go, gotta go-go-go  
Gotta go

Uptown  
Uptown  
All now  
Uptown  
Gotta go-go-go  
Baby, gotta go, gotta

Uptown  
C'mon, c'mon  
You, you have to, you gotta go  
Uptown  
Yeah
