What's a woman 2 do?  
Across the street waits a man she's promised 2  
And in her presence is another with eyes of violet blue

All aflame her body when he approaches - steam heat  
She closes her eyes, imagines his voice - so sweet, so  
sweet  
11 minutes and she'll be late

What's a woman 2 do?  
Across the street waits the man she's promised 2  
Indecision reigns and the catalyst: eyes of violet blue

11 minutes 2 love is 2 little, 2 much  
I could listen 4ever but if I hear 2 much  
It could stay in my mind and all could be lost  
If I'm not careful, I'd never want U so

We already lost one minute  
4 us that's one more year we got in it  
4 us that's one more year things we don't know  
11 minutes 2 love

Is he married? One day does he wanna be?  
I wish I could tell just from holdin' hands  
But with his eyes so gentle, he whispers  
Only mental communication is all he wants me 2 hear

Even though I don't want 2  
I must leave him now  
I can't let him see my tears  
Though I turn away and notice the time - it's late  
But what's a woman 2 do?  
What's a woman 2 do?

The eyes were violet blue {x2}  
And I could see 4ever the eyes of violet blue  
And that's what a real woman, real woman wants 2 do  
(Love) {x4}
