Walk on their side of the street
Don't walk where it feels the best
Walk away from people you meet
Don't talk to strangers unless

They walk the way
You want them to
Don't walk unless
The others do

I said walk like you could use a ride
Don't walk with a confident stride
Then people will walk all over you
Don't talk till they tell you to

Don't talk if it's against the rules
Just walk away and be a fool
That's what they want you to do
Yeah, that's what they want you to do

Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na

Don't talk if it's against the rules
Just walk away and be a fool
That's what they want you to do

So you gotta walk like you wanna make it
Don't walk like you just can't take it
G'on walk on whatever side you like
Don't walk wherever they tell you to psyche

The sun will shine upon you one day
You're always walkin' your way
Oh, the sun will shine upon you one day
You're always walkin' your way, hey

Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na

Sha, na, na, na, na

(Checkin' me now just walkin')
Said I'm walkin' on your side of the street
(Checkin' me now just walkin')
I'm talkin' 2 the people I meet
(Checkin' me now just walkin')
Alright, hey, alright

Walk, don't walk, talk, don't talk
Walk, don't walk, talk, don't talk
Walk, don't walk, talk, don't talk
