Why did I waste my kisses on you, baby?
Why did I waste my kisses on you, love?
Why did I waste my kisses on you, baby?
Why did I waste my kisses on you, love?

Overdue that's how I described the hour
The minute, the moment that I first laid eyes on you
I guess I knew that sooner or later this power
Would manifest itself into a rendezvous

Small dark room that's where I let you, smother
In front of your gut, toned other, why should I care?
Cheap perfume all over those burgundy stockings
The ones I tied you, up with I shoulda just left 'em there
(Shoulda just left 'em there)
Why'd I waste my kisses on you?

Why did I waste my kisses on you, baby?

Why did I waste my kisses on you, baby?
Why did I waste my kisses on you, love?
Why did I waste my kisses on you, baby?
Why did I waste my kisses on you, love?

Why'd I waste my kisses on you, baby?
(On you)
Why did I waste my kisses on you, love?
Why'd I waste my kisses on you, baby?
(On you)
Why did I waste my kisses on you, love?
