Oh yeah, what'd you think was gonna happen?
Come on

We gets up, everybody get down
Make a sound, make a sound
We gets up when we come to your town
I said, the lost is found

We gets up, ain't no need to trip
We're the one deserving of the championship
We gets up, so you feel the gift
All the competition, they got to quit

We gets up, everybody get down
Make a sound, make a sound
We gets up when we come to your town
I said, the lost is found

Yeah, how you think we comin'?
Smash 'em like you wanna sting

We just bad, we so bad, we good
Comin' to wreck shop in your neighborhood
NPG and we're makin' it understood
Ain't no one can stop us, how you think you could?

We gets up, everybody get down
Make a sound, make a sound
We gets up when we come to your town
I said, the lost is found

Yeah, NPG, New Power Soul, k-k-k-kick it
Oh yeah
Gimme the break, gimme the break, huh
If y'all take a left, we gonna go right
But we'll keep this mutha rockin' till the broad daylight

People, wave your hands
Ain't nobody better in all of the land
See them go, yeah, we crushin' the man
That don't believe we get up, yes, we can
We gets up, up, up, up

Oh yeah, oh yeah

We gets up, everybody get down
Make a sound, make a sound
We gets up when we come to your town
I said, the lost is found

We gets up, we gets up, we gets up
We gets up, we gets up
(Oh yeah)
Alright

We gets up!
