When the things you know are right
Are far from what they seem
When the past becomes the future
And time becomes a dream

When the light of God
Is the only thing in life that will redeem
Welcome, welcome 2 the dawn

When the voices you hear commands you
To entertain the absurd
When you do the action unlocks
The Apocalypse of that you've heard of

When the day lies
Before you seems the darkness in a word
Welcome, welcome 2 the dawn

Every pieces, a puzzle and every name, a clue
Every charge you make is karma
So be careful what you do
Welcome, welcome 2 the dawn

Welcome 2 the dawn, thank you
