Welcome 2 the Rat Race [Controversy Music]

-----

Lana drew a picture in school today  
One that made her mother cry  
A picture of a woman with a drink in her hand  
Standing by a child with no eyes  
Washington reaction based upon revenge  
Babies blown to kingdom come  
Damn their logic, cartoon characters  
Look better when they're on the run  
Dan dropped a dime on his girlfriend  
He said he didn't wanna go to jail alone  
The seed lives in the same mind  
With the thought that says we all should be stoned  
And people lookin' for aliens in the sky  
Whenever they're broken-hearted  
Love is grown. Seeds are sewn.  
Fire don't burn unless it's started

La la la la la la la la  
Sha la la la la la la la  
Sha la la la la la la la  
Did you ever feel that life was like lookin' for a penny  
In a large room with no light?  
(la la la la la la la la)  
(la la la la la la la la)  
A sophisticated man refuse to accompany  
No-win situations that aren't right (la la la la la la la la)  
Sha la la la la la la la (la la la la la la la la)  
Sha la la la la la la la  
Sha la la la la la la la

Everytime you wake up there's some motherfucker  
Talkin' big stuff in your face  
You only get the kind of people that open their mouth  
just to swap feet

Welcome 2 the rat race.  
Oh, oh, oh, oh. Oh, oh, oh, oh.  
Did you ever feel that life was like lookin' for a penny  
In a large room with no light?

(la la la la la la la la)  
(la la la la la la la la)  
A sophisticated man refuse to accompany  
No-win situations that aren't right (la la la la la la la la)  
(la la la la la la la la)

Oh. If you could just pass your history class  
Maybe life would be alright (la la la la la la la la)  
Until then you'll be lookin' for a penny (la la la la la la la la)  
in a large room with no light

Yeah  
Sha la la la la la la la  
Sha la la la la la la la  
Life, life  
Life, life  
Life, life  
Life, life
