When you were mine  
I gave you all of my money  
Time after time  
You done me wrong

It was just like a dream  
You let all my friends come over and meet  
And you were so strange  
You didn't have the decency to change the sheets

Oh girl, when you were mine  
I used to let you wear all my clothes  
You were so fine  
Maybe that's the reason  
That it hurt me so

I know  
That you're going with another guy  
I don't care  
'Cause I love you, baby, that's no lie  
I love you more than I did  
When you were mine

When you were mine  
You were kinda sorta my best friend  
So I was blind  
I let you fool around

I never cared  
I never was the kind to make a fuss  
When he was there  
Sleeping in between the two of us

I know  
That you're going with another guy  
I don't care  
'Cause I love you, baby, that's no lie  
I love you more than I did  
When you were mine

When you were mine  
You were all I ever wanted to do

Now I spend my time  
Following him whenever he's with you

I know  
That you're going with another guy  
I don't care  
'Cause I love you, baby, that's no lie  
I love you more that I did  
When you were mine

When you were mine, oh no  
Love you, baby  
Love you, baby  
When you were mine
