What time is it!?

Hangin' by the backstage door
Decked out like a queen
Your body's sayin' 21
But your face says 17
My intuition tells me
That U're waitin' 4 the band
Before U get your hopes up
One thing understand (Oh, hey)

CHORUS:

Wild and loose, that's how it's got 2 be
Cuz that's the only kind of dame that appeals 2 me
Wild and loose, the only life I know
Just havin' one big party from show 2 show

Talkin' trash 2 Jimmy Jam
"Tell us where the party's at"
We don't care who U came with
We'll take care of that
Just meet us at the Gotel
Room 602, ooh
Tell your mama U won't be home
Cuz we got plans 4 U (Oh, yeah)

CHORUS

Universal freak delight, where'd U get those thighs?
Where did U get the nerve 2 wear that miniskirt so
high?
Don't worry baby, I can keep a secret 4 as long as snow
is white
Hey Jesse? (Yeah?) Come here man, guess what I did
last night?

CHORUS

Baby, U ain't no saint {repeat verse twice}
Cuz there ain't no in-between
Either U come or U can't

Now get loose, let me hear U scream

CHORUS

(Wild and loose) {repeats in BG}
Ah pardon me, say it one more time, huh
I can't hit it baby, maybe I'm blind
Everybody know U got 2 be, yeah
Cuz ain't nobody cool but me, slap me!
Somebody, somebody sing it
Tell your mama U won't be home, huh
Everybody know U got 2 be, yeah
Ain't nobody cool but me, now break it down

{2 separate conversations take place}
Kim, wasn't the concert great?
Minneapolis is mine
Oh yeah, it sure was
She was right in the front row
I know man, she was sittin' there
Did U see Jesse up there, wasn't he fine?
She was lookin' at me so nasty, U know what I'm sayin'?
Oh yeah
But the groove was so strong
Morris looked so good
I know what I'm gonna be doin' in the back of the bus 2
night!
Yeah, but I think Jesse is cuter
Oh yeah
Am I right? (Bein' cool)
I wonder what they are doin' after the concert
Ah, I got it 2 night Jimmy (Alright)
Oh yeah, I got a strange feelin' they're nasty
U had it last night (That'll be cool) (Check this out)
Yeah, I bet I'll remember this concert 4 the rest of my
life
The lady called me up last night
She said "Morris, U can be so cute, pretty, fine,
handsome, whatever"
So will I
Did U see Jesse's eyes, aren't they pretty?
What can I say? U know..
Yeah, I know what U sayin' man
Oh, they're so pretty
No one at school will ever believe I talked 2 Morris on
the phone last night
Hey look, are they sorry, that group that played before
us?
Oh, I believe U
Jimmy Jam, U know we good
He's voice was so soft, he sounded so sweet

U know when we stepped in that club
Oh yeah, he's so cool
We saw Monte sittin' back there with his little girlfriends
Yeah, but now I want 2 meet'em in person
I said "What is it like bein' cool?"
(Hey, hey, hey, what's happenin'?)
Some people have it 2 cool
(U girls wanna go 2 a party 2 night?)
Oh no (Man, U know)
Oh, beat it jerk
Alright, look
God, get away, eh yuck
Man, look at these 2 chicks over.. man, look at this, look
at this
Man, they look, they look wild and loose
Kim, U ain't gonna believe it
The guys from The Time are right behind U
Man, the girls are lookin' right
Go on, won't y'all try and rap at'em and see what time..
Are U serious?
They should take them jeans off, that's what
No, I'm not.. look, I.. I mean yes I am! Over there
I mean, U know, U know I got somethin' 4'em 2 put on
Oh my God
Can U believe it? Look
U saw what I was with the other night
Should I look?
Should I go over and see if he remembers me?
Oh yeah
It's kinda right (Ha ha ha) (Do whatever U want) (ha ha
ha ha)
But what should I say?
Say somethin'
I got the back of the bus 2 night, that's all I got 2 say
Hi..Hi Morris
Hmph! (I know man)
Hmm, excuse me
Hello, do I know U?
(Hmph! Yeah, I'm just..)
Yeah, U talked 2 me on the phone last night
Is that right? Well, U sure don't look like U sound
Well, excuse me!
It's OK baby, I got things 2 do, I'll talk 2 U later
Jerk! That was the worst concert I've ever been 2

(Wild and loose) {x4}

CHORUS

(Wild and loose) {repeats in BG}

I can't hear U singin'

Help me out, help me out, hey
Baby, I got plans 4 U
Everybody get loose

Fellas? (Yeah?)
Where the party at? (Right here under your shoes)
Fellas? (Yeah?)
What time is it? (Time 2 get wild and loose)
Showtime
Fellas? (Yeah?)
Where the party at? (Right here under your shoes)
Fellas? (Yeah?)
What time is it? (Time 2 get wild and loose)
Fellas? (Yeah?)
Where the party at? (Right here under your shoes)
Party time
Fellas? (Yeah?)
What time is it? (Time 2 get wild and loose)
Fellas? (Yeah?)
Where the party at? (Right here under your shoes)

Fellas? (Yeah?)
Where the party at? (Right here under your shoes)

Fellas? (Yeah?)
What time is it? (Time 2 get wild and loose)
2 night
Fellas? (Yeah?)
Where the party at? (Right here under your shoes)
[Mother]
Fellas? (Yeah?)
What time is it? (Time 2 get wild and loose)
Somebody bring me a mirror
