Witness [Controversy Music]

-----

I am a witness for the prosecution of a hate in this love  
affair

I, who am guilty of nothing but always wantin' to be  
there

Mama, I swear I love you, I always have

In school I once traded chairs

If I couldn't be near you, I wanted what was yours

Now I just want you to care

I am a witness

I am a witness for the prosecution of hate in this love  
affair. Oh.

Whatever it is you think that I did

You're wrong, I wouldn't even dare

'Cuz you know

I am a witness for the prosecution of hate in this love  
affair

Yes I am

Don't you know I am

I am a witness, witness

Witness for the prosecution

Witness for the prosecution

I am a witness for the prosecution of hate in this love  
affair, yeah.

I, who am guilty of nothing but always wantin' you to be  
there, be there.

I swear by heaven I love you, I always have.

In school I once traded chairs

If I couldn't be near you, I wanted what was yours

Now I just want you to care

I am a witness for the prosecution of hate in this love  
affair

Yes I am.

Let me tell you, whatever it is you think that I did

You're wrong, I wouldn't even dare. No, no, no.

Witness for the prosecution

Witness for the prosecution  
Witness, witness, witness, witness, witness, ooh,  
witness  
Witness for the prosecution of hate in this love affair  
Witness, witness  
Witness for the prosecution  
Witness for the prosecution

Guilty, 7 years hard labor, take him away
