Oh Daddy  
Ooh, sock it 2 me

See my brother talkin' plenty head  
Steady wishin' he could sleep in your bed  
Steady wishin' he was in your car  
Just a steady wishin' that he was who U are

Pop Daddy - Daddy Pop  
Brother steady talkin' while the girlies steady hop  
Pop Daddy - Daddy Pop  
Punchin' in the rock and roll clock

(Oh Daddy dance)

See all the people wonder why  
Set your goals high - high as your sky  
See the people runnin' from the truth  
Livin' in the past when they need 2 be livin' the new

Pop Daddy - Daddy Pop  
Brother steady talkin' while the girlies steady hop  
Pop Daddy - Daddy Pop  
Punchin' in the rock and roll clock

(Oh yeah)  
(Hey, hey)

Pop - Daddy Pop  
Pop - punchin' in the rock and roll clock  
Talk, guitar talk  
(Oh Daddy)

Daddy Pop is the writer and love is the book  
U better look it over before U overlook

- 1 - Oh Daddy
- 2 - Oh yeah
- 3 - Ooh, sock it 2 me
- 4 - Oh (Come on) U're the best

See all my critics wastin' time  
Worryin' about the Daddy while he beat U blind

Get your life 2gether - stop your cryin'  
Whenever U say that U can't, that's when U need 2 be  
tryin'

Pop Daddy - Daddy Pop  
Brother steady talkin' while the girlies steady hop  
Pop Daddy - Daddy Pop  
Punchin' in the rock and roll clock

(Ooh) (Oh Daddy)  
(Steady, steady, steady)  
(Oh)  
(Punchin' in, punchin' in)

What kind of fool is this, that thinks Daddy will miss?  
What kind of boy would dis (huh) a list, as long as  
history itself?  
I got grooves and grooves up on the shelf (Oh Daddy)  
Deep purple concord jams (Oh yeah)  
This party I will slam  
I don't think U understand (Ooh, sock it 2 me)  
Whatever U can't do - Daddy can (Oh)  
The one and only Daddy Pop (Oh Daddy)  
One and only Daddy Pop

Pop Daddy - Daddy Pop  
Brother steady talkin' while the girlies steady hop  
Pop Daddy - Daddy Pop  
Punchin' in the rock and roll clock

(Oh no my brotha)  
(There ain't no stopping)  
(Check the record, yeah)  
(Poppa Daddy's coming)

Ring di di ding - somebody's calling  
"The jester's on the phone!"  
Oh yeah?  
Rosie, tell him I ain't home  
Just one in a long line that wanna see me  
Daddy Pop

Daddy pop  
Daddy pop  
Daddy pop  
Daddy pop

Daddy pop lead the band  
As I step 2 the mic and lend a hand  
2 The funky groove let's make a whole house move  
Yo' band, let me hear U say ooh (Ooh!)

That's right, we're gonna turn this mutha out 2night  
We ain't leaving 'til they gonna have 2 turn off the  
lights  
And if they do, then what we gonna do?  
Flash it up cause we ain't through  
Yeah, hit it - it's time 2 get wit' it, huh  
I ain't no angel so 2 hell with playin' innocent  
Those who came 2 party know just what I'm talkin'  
about  
So come on, y'all, wave yo' hands in the air, everybody  
(Yeah)  
Wave yo' hands in the air (Yeah)  
(Daddy Pop) {repeat}  
4 The funkiest band in the land and don't forget the  
P.A.R.T.Y.M.A.N  
Peace! Yeah Peace  
Like I said, right about now, NPG is like huh - out  
Hah
