{Song continues in in BG }

Tony, U were excellent
What U need is a manager

4 what?

I can make U...

Moneyminders are like parasites
They pose as wheelers and dealers 4 your rights
And most companies say that U need 'em!

Not me

But I kick back, observed, and watched them bleed 'em

I'm honest

Artists young and old

I can bring U 2 the top!

Where'd this unwritten law come from anyway?
That years after the contract U should still be gettin'
paid?

Boy, I'd go broke and hit the skids
Before I take care of a rich sucker's kids

My contract...

Hell, a contract ain't no pension plan

My contract...

Years after this, my kids are still gonna make the
grands

Tony, U...

And U laughed at my brother, Little Richard
When he says U ain't gave him nothin'

Let's leave him out of this

Hell, that ain't no joke
His songs are still sellin', that man could die broke
So fellow artists, push 4 yours

U need me

And watch 4 Mr. Moneyminder as we settle the score

Tony...
Ohhhh
