(I wanna be your lover) (Partyup) (Controversy)

My name is Prince and I am funky  
My name is Prince, the one and only  
I did not come 2 funk around  
Till I get your daughter, I won't leave this town  
In the beginning (funky) God made the sea  
But on the 7th day He made me  
He was tryin' 2 rest y'all when He heard the sound  
Sound like a guitar cold gettin' down  
I tried 2 bust a high note, but I bust a string  
My God was worried until he heard me sing

My name is Prince and I am funky  
My name is Prince, the one and only  
Hurt me!  
(Do that, do that somebody) {x8}  
Hurt me!

My name is Prince and I am funky  
When it come 2 funk, I am a junkie  
I know from righteous, I know from sin  
I got 2 sides and they both friends  
Don't try 2 clock 'em, they're much 2 fast  
If U try 2 stop 'em, they'll kick that ass  
Without a pistol, without a gun  
When U hear my music, U be havin' fun  
That's when I gotcha, that's when U mine  
2 tell the truth, tell me what's my line?

My name is Prince and I am funky (U can't stop Prince)  
My name is Prince, the one and only (U can't stop  
Prince)  
Hurt me!  
(Do that, do that somebody) {x4}  
Funky fresh 4 the 90's (Prince)

My name is Prince, I don't wanna be King

Cuz I've seen the top and it's just a dream  
Big cars and women and fancy clothes  
Will save your face but it won't save your soul  
I'm here 2 tell U that there's a better way  
Would our Lord be happy if He came 2day?  
I ain't sayin' I'm better, no better than U, huh  
But if U want 2 play with me, U better learn the rules  
(Ow!)

My name is Prince and I am funky (U can't stop Prince)  
My name is Prince, the one and only (U can't stop  
Prince)  
I did not come 2 funk around (U can't stop Prince)  
Till I get your daughter, I won't leave this town  
I won't leave this town {x2}  
I won't leave this, leave this, leave this

My name is Prince and I am funky (U can't stop Prince)  
My name is Prince the one and only (U can't stop  
Prince)  
Funky fresh 4 the 90's  
(Do that, do that somebody) {x4}  
Hurt me!

The funkier I be, the funkier I get, ooh shit  
Lickety split on the lyric, a new jack in the pulpit  
Watch it deacon, your track is leakin'  
What is this U're seekin'?  
The syncopated rhymes are at their peak when  
U jumped on my D.I.C.K.  
That's the one thing I don't play  
The jock strap was 2 big 4 U anyway  
U're just a simpleton  
I'll bust U like a pimple, son  
My star is 2 bright, boy  
I'll sink U like the ship Poseidon Adventure  
U're bumpin' dentures 2 be cocksure  
There must be more coming from your mouth than  
manure  
So with a flow and a spray, I say hey  
U must become a Prince before U're King anyway

(Do that, do that somebody) {x2}

It's time I get ig-ig-ig-ig-ig-ignorant  
Def be the beat that I'm rockin'  
Yo, so come get a hit  
And put your thinking cap on  
U've been forewarned  
I call upon the inner forces I've got brewin' in my  
cauldron

That means my nugget, sometimes I'm rugged  
The style I possess be havin' the other brothers buggin'  
And this is 4 those who oppose  
And propose 2 overexpose, disclose  
Pose a threat 2 my brother  
Like any other man makin' a stand  
I'll be damned if I let U play this hand  
I'm the blackjack dealer and the cards are stacked  
What do U expect 2 win when U're used 2 playing  
craps?  
Yeah, let's get rid of them, hmm?

(Do that, do that somebody) {x2}

It's gettin' tricky, that means a sticky situation  
2 resurrect a groove with feeling and give it this much  
affection  
Passion flows who knows what lurks in the gallows of  
my mind  
I put my foot in the ass of Jim Crow  
12 inches of non-stop sole  
I'm on a roll - yo P, it's time 4 the show  
So do that, do that somebody  
Wave your hands in the air, this is a motherfuckin'  
party  
While U're layin' back, I'm on the attack  
Paddywhack - give yourself a bone  
This is my house and I'm prone  
2 layin' some chrome upside some motherfucker's  
dome  
And I'm out

My name is Prince and I am funky  
My name is Prince, the one and only

My name is Prince {x10}
