It's been 7 hours and 13 days
Since you took your love away
I go out every night and sleep all day
Since you took your love away

Since you've been gone, I can do whatever I want
I can see who ever I choose
Eat my dinner in a fancy restaurant, oh, yeah
But nothing, nothing can take away these blues

Nothing compares, nothing compares 2 u
Oh, baby

It's been so lonely without you here
I'm like a bird without a song
Nothing can stop this lonely rain from falling
Tell me, baby, where did I go wrong?

Oh, baby, I can put my arms around
Every boy I see, oh, yeah
But they only remind me of you
All my dames remind me of you too, girl, oh yeah

I went to the doctor, guess what he told me?
What'd he tell you?
Guess what he told me, I'm listening
He said, "Rosie", what?
"Try to have fun no matter what you do"
You wanna tell me why? He's a fool

Nothing compares, no, nothing compares 2 u
Oh, baby

Tenor man, play it for me

All the flowers that you planted, sugar
In the backyard, all died when you went away
Ooh, baby, I know that living with me, baby
Is sometimes hard, sometimes hard
But I'm willing, I'm willing to give it one more try
Please do you know why, do you know why?

Nothing compares, no, nothing compares 2 u
Oh, baby, every time I say
Nothing compares, no, nothing compares 2 u
