Thunder all through the night
Promise to see Jesus in the morning light
Take my hand, it'll be alright
Come on, save your soul tonight

Thunder
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Love nobody know just how it was born
Love first came to me with the radio on
Jumped up in my body with an attitude
Kissed me on the mouth and said, "Your leader take
me too"

'Twas like thunder all through the night
And the promise to see Jesus in the morning light
Love said, "Take my hand, it'll be alright
Come on, save your soul tonight"

Love's kiss was running all through my veins
The bed started shakin', I don't know who to blame
Me or this flower right in front of my eyes
Is this my sweet savior or the devil in disguise?

'Twas like thunder all through the night
And the promise to see Jesus in the morning light
Love said, "Take my hand, it'll be alright
Come on, save your soul tonight"

Thunder
Yeah, yeah
Yeah, yeah, yeah, yeah
Alright
It was truly, truly

Like rain falling on a window pane
Tears came to my eyes when I asked her name
Made me holler when it finally came
Sayin', "Only the children born out of me will remain"

'Twas like thunder all through the night

And the promise to see Jesus in the morning light
Love said, "Take my hand, it'll be alright
Come on, save your soul tonight"
Thunder

We'll be alright
Alright
It was truly like thunder
Don't do it like that, do it like this

Thunder all through the night
Promise to see Jesus in the morning light
Take my hand, it'll be alright
Come on, save your soul tonight

Thunder
Thunder, thunder yeah, yeah, yeah

Thunder
Thunder

Thunder
Thunder
Thunder
