Walk on their side of the street
Don't walk where it feels the best
Walk away from people U meet
Don't talk 2 strangers unless
They walk the way U want them 2
Don't walk unless the others do

I said walk like U could use a ride
Don't walk with a confident stride
Then people will walk over U
But don't talk till they tell U 2
Don't talk if it's against the rules
Just walk away and be a fool
That's what they want cha 2 do
Yeah, that's what they want U 2 do

Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na

Don't talk if it's against the rules
Just walk away and be a fool
That's what they want U 2 do

So U gotta walk like U wanna make it
Don't walk like U just can't take it
G'on walk on whatever side U like
Don't walk wherever they tell U 2 - psyche
The sun will shine upon U one day
If U're always walkin' your way

Oh, the sun will shine upon U one day
If U're always walkin' your way (Hey)

Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na
Sha, na, na, na, na

(Checkin' me now just walkin')
Said I'm walkin' on your side of the street (Checkin' me

now just walkin')
I'm talkin' 2 the people I meet (Checkin' me now just
walkin')
Alright
Hey

(Alright)
Walk - don't walk
Talk - don't talk
Walk - don't walk
Talk - don't talk
Walk - don't walk
Talk - don't talk
