

Prince And The Revolution "Mountains"

Once upon a time in a land called Fantasy
Seventeen mountains stood so high
Sea surrounded them and together they would be
Only thing that ever made you cry

You said the Devil told you that another mountain
would appear
Every time somebody broke your heart
He said, "The sea would one day overflow with all your
tears
And love will always leave you lonely"

I say it's only mountains and the sea
Love will conquer if you just believe, oh yeah
It's only mountains and the sea
There's nothing greater, you and me

Once upon a time in a haystack of despair
Happiness sometimes hard to find, yeah
Africa divided, hijack in the air
It's enough to make you want to lose your mind

And I say someday mountains and the sea
Love will conquer if you just believe, oh yeah
It's only mountains and the sea
And there's nothing greater, you and me

It's only mountains and the sea
There's nothing greater, you and me

Starvation, mountains
