I can't disguise the pounding of my heart
It beats so strong
It's in your eyes, what can I say?
They turn me on

I don't care where we go
I don't care what we do
I don't care pretty baby
Just take me with you

Come on and touch the place in me
That's calling out your name
We want each other, oh, so much
Why must we play this game?

Don't care where we go
I don't care what we do
I don't care pretty baby
Just take me with you

I don't care if we spend the night at your mansion
I don't care if we spend the night on the town
All I want is to spend the night together
All I want is to spend the night in your arms

To be around you is so, oh, right
You're sheer perfection
Drive me crazy, drive me all night
Just don't break up the connection

I don't care where we go
I don't care what we do
I don't care pretty baby
Just take me with you

I don't care where we go
I don't care what we do
I don't care pretty baby
Just take me with you

Just take me with you

Oh, won't u take me with u
Honey take me with you
