Jah-I going out and Protect-I coming in.
Hear what my good brother Culture got to say.
Black, black, reggae, you know.
Black reggae music is a message from the king.
Black reggae music is a message from the king.
Here comes Prince Far I to deliver...
His foundation is in the holy mountains.
The LORD loveth the gates of Zion more than the
dwelling-places of Jacob.
Black, black, reggae music, you know.
The heavens declare the glory of God
And the firmament sheweth who designed the world.
Night unto night uttereth speech.
There is no speech nor language, where their voice is
not heard.
Zion! Zion!
Black, black, reggae, reggae music, you know.
Black reggae music is a message from the king.
Here what I say...
The black reggae music is a message from the king.
Rastaman...
'Cause his foundation is in the holy mountains.
The LORD loveth the gates of Zion more than the
dwelling-places of Jacob.
Say so, Rasta!
Behold, you know...
Black, black, reggae, reggae music, you know.
Black reggae music is a message from the king.
Mmmmm...
Black reggae music is a message from the king.
Somebody run but not Jah-Bible I believe
I said, Somebody run but not Jah-Bible I believe.
Tell you, said, The black reggae music...
Tell you, said, The black reggae music...
Said, a-black a-black...
Black is beauty, you know.
Ta-da-dum.
Black reggae music is a message from the king.
Hear...!
The black reggae music is a message from the king.
You hear it played

today...

I know them missed the Black Star-Liners must come I-
ah,

I mean they must find them that must come, you know.
Black reggae music, you know.

Let God arise, let his enemies be scattered - no, and
not tomorrow!

Let them also that hate him flee before him,

As wax melteth before the fire.

Light! And that's I desire! I-ah!

Black reggae music is a message from the king. Hear!

Black reggae music is a message from the king...
