1 - I can't help it, but I
Wanna make sweet love to you
I know that you're not mine
We should change that

Repeat 1

I never met a, a young lady
Who always stay on my mind
Like you do, you know it
That's why you're gonna be mine in time
You're sweeter than sugar
That's why I wanna taste you all the time
Do everything to ya
So now you know what's on my mind
Repeat 1
Repeat 1

I've never been in love
I never wanted to
But you make me think about ya girl
More than physical, I'm feelin' you
The more you let me in your world
Don't be afraid, I wanna please you
I'll show you just how beautiful you are to me
My angel
So now you know what's on my mind

Repeat 1 w/ ad-libs to fade
