Yeah, yeah, uh yeah
I feel it
Six, six, six hundred
Six hundred, six hundred
What? What?

I can't believe what you think of me
You done me wrong but I moved on
Baby, worst of all you tried to see me fall
But take a look, girl, I'm still standing tall

Someone said only the strong survive
If that ain't me then you's a lie
'Cause there ain't no, no mountain I can't climb
Yo, I guess it's time to get mine

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

First of all let me set the record straight
I finally seen, I seen that you was fake
Always runnin' 'round, talking 'bout keep it real
But, girl, you doubted if I could sell a mill

So go ahead, do what you gotta do

I gotta laugh, 'cause see the joke's on you
You know I asked my man, "Stevie was I gon' blow"
He says, "Yo D, you already know"

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)

Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Don't you dare try and test my pride
Ain't no mountain I can't climb
Told you time and time before
This is what y'all have been waiting for

I see that you try to steal my style
But y'all know there's only one Dalv
It's killing me but it's good to see
That y'all fools ain't touchin' me

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

(I'mma drop that)

Ten carats
(I'mma rock that)

(You can't stop that)

Six hundred
(I'mma cop that)
Hot verse
(I'mma drop that)

Ten carats
(I'mma rock that)
Hit records
(You can't stop that)

Can't you see, yeah, yeah
Yeah, yeah, yeah, uh

Six hundred
(I'mma cop that)
